

Home Assignment (Tobe submitted before 19th October, 2021)

Select any one of the given 4 papers according to your interest, review the selected paper

Give your answer in three parts,

1. Write if the paper is in right (IMRAD i.e. Introduction, Material & Methods, Results and Discussion. And conclusion) format . If not give reason.
2. Whether it has any fatal flaw. If yes give reasons. If not give your comments about the content of the paper .What is your opinion about the results given?Is there any novelty in its content?
3. Give details how the author can improve the paper? Mention if there are any language or grammatical errors.
